Notice to Landlords

Pursuant to IC 1982, 36-9-23-32; sc 32c:

I hereby request to be notified by the Town of LaGrange if the wastewater treatment charges on my rental property (properties) located at:

should become delinquent. AS the property owner, I understand that I am responsible for the payment of wastewater charges not paid by the renter.

Further, I understand that delinquent charges may be collected by the Town of LaGrange by recording a certified lien against the property. The certified lien will then become charges on your property taxes. The Town of LaGrange may also bring legal action to collect the debt by asking for the balance, late charges, interest, attorney fees, and court costs.

Further, I agree to notify the Town of LaGrange if the property is sold or any change of ownership of the listed properties.
