

NO-SOLICITATION REQUEST FORM

The Town of LaGrange Clerk's Office shall maintain and publish on the Town's website a no-solicitation list consisting of all residential addresses that have been registered under subsection (A) and that have not been deleted by the Town of LaGrange under subsection (D) or by the owner or lawful occupant of the registered property. Each permit holder shall be responsible for obtaining and reviewing a copy of such list immediately upon issuance of a permit under this ordinance and at such intervals thereafter as may be reasonably necessary to ensure compliance with the requirements of subsection (C) of this section.

As of the effective date of the registration of a residential address under subsection (A), all door-to-door commercial solicitation at such address shall be prohibited until such time, if at all, that the address has been deleted from the no-solicitation list.

Each residential address appearing on the Town's no-solicitation list will remain on the list for two (2) years from the date it was submitted to the Town, at which time it shall be deleted from the list unless a new form requesting no-solicitation at such residence has been submitted by the owner or lawful occupant thereof. No less than sixty (60) calendar days prior to the deletion of any address from the no-solicitation list, the Clerk shall provide written notice to the property owner or occupant who registered the address with the Town, which notice shall be sent to the registered address or to such other address as may have been provided to the Town at the time of registration.

Prior to the expiration of the two (2) year period referenced in subsection (D), the owner or lawful occupant of any residence appearing on the no-solicitation list may cause such residence to be removed from the list by submitting a written request for removal of the same to the Clerk.

Neither the Town nor any of its officers, employees, agents or authorized volunteers shall be liable to any person for any injuries, damages, or liability of any kind arising from or relating to any errors or omissions that may occur in compiling or maintaining the no-solicitation list.
